

# OH, \$#\*@!

YOUR ACCOUNTING FILE IS GONE.  
VIRUS ALERT!  
E-MAIL HAS STOPPED.  
PHONES ARE DOWN.  
PRINTER IS JAMMED.  
SERVER CRASHED...  
**...AND YOU NEVER DID MAKE THAT BACKUP.**

## **SOLVE PREVENT TECH PROBLEMS WITH ONE CALL!**

You know your business needs computers. And computers need software. And firewalls. And Anti-Virus. And a Written Information Security Plan. And a PCI strategy. And a phone system. And printers. An Internet connection. An Internet Use Policy. E-mail. SPAM filtering. E-mail archiving. And a website. And secure passwords. And backup protection.

The list goes on and on.

**Did you go into business to worry about all that can go wrong with your technology?**

Didn't think so. **That's why we're here!**

Charland Technology is your local, full-service technology provider. Of course we sell and support the best name-brand computers and network products, but we go beyond the "computer guy" model by finding solutions to your real business problems.

**Tired of third-world tech support?**

We're local! We will work directly with your software, hardware, and phone vendors...we "own" your problems until they are resolved!

**Frustrated by know-it-all "geeks?"**

We understand the needs of business! We can discuss your concerns at whatever level you're comfortable with.

**Nervous about relying on family, friends, or students?**

We're certified, insured, and we do this full-time. As professionals we take your needs seriously. We follow industry best practices that many amateurs don't know.

**Contact us today to arrange a no-cost, no-obligation Technology review!**
